

The 8th Employment Equity, Diversity and Transformation Summit

TDCI, EES-SIYAKHA and **SABPP** are proud to present the 8th Annual Employment Equity, Diversity and Transformation (EEDT) Summit from 15 to 17 May 2018 at the Wanderers Club, Illovo, Johannesburg.

The theme of the 2018 EEDT Summit is:
“Excellence in Transformation and Inclusion.”

As with our previous EEDT Summits, the purpose of the event is (1) to showcase EEDT best practice, (2) create an opportunity for companies to benchmark against industry leaders and (3) to stimulate creative collaboration and networking opportunity within the EEDT fraternity.

We are also pleased to announce that the inaugural SABPP EEDT Awards will be hosted in conjunction with the 8th Annual EEDT Summit.

The Awards create a platform through which public recognition can be given to South African organisations that have excelled in EE and Diversity Transformation.

Companies are invited to nominate themselves/their representatives in for any of the following Awards:

- Employment Equity, Diversity and Transformation Overall Award
- HR Best Enabling Environment Award
- Diversity and Inclusion Award
- Affirmative Action Measures Award
- Change Agent Award
- Disability Equity Employer Award
- Gender Equity Employer Award
